The Hundred Club provides Scholarships for the Widows and Children of New Hampshire Police Officers and Firefighters who have lost their lives in the line of duty. The Hundred Club also provides a \$25,000 Line of Duty death benefit. What happens when a firefighter is killed rescuing victims from a burning building? When a police officer is killed by an armed criminal? When a conservation officer is killed in the line of duty? How does the widow finance her children's education? It is to fill this need that The Hundred Club of New Hampshire exists....to provide scholarships for the widows and children.

Supporters of The Hundred Club harbor a special feeling of gratitude for police officers and firefighters. Every day these dedicated men and women risk their lives in upholding the law and in protecting our lives and property.

A widow who lost her husband in the line of duty when her children were very young wrote: *“It is difficult at best to include the many kindnesses you bless our family with as each year passes into another. Your faithfulness in remembering my husband and so many others’ sacrifices is dear to our hearts. Thank you so very much for so willingly sharing our loss down through the years. It truly has made the burden lighter.”*

A widow wrote: *“There are no words to express the amount of gratitude the kids and I have for your generosity. We are forever grateful. Thank you from the bottom of our hearts. One step, one day, one hour at a time as we navigate this road.”*

A widow who lost her husband during a violent crime wrote: *“Thank you for the overwhelming abundance of treats and gifts for Easter, Mid-Winter celebration and Mother’s Day. As always, I am grateful for all the Hundred Club provides.”*

A widow wrote: *“There are no words to express my family’s gratitude for your generosity. My daughters and I have been overwhelmed by the ongoing support from the Hundred Club. In this most difficult time, we are blessed.”*

The daughter of a police officer killed in the line of duty wrote: *“Thank you for thinking of us at all of the holidays. Your gifts are so thoughtful and we are touched by your kindness. Merry Christmas from our family to yours and to all the generous donors to the Hundred Club.”*

A widow and her children wrote: *“During this trying time, it means so much that we are remembered by the Hundred Club. The best we can do is take care of each other and you have done that for us for many years.”*

New Hampshire's police officers and firefighters dedicate the greater part of their lives caring for the safety of the citizens of New Hampshire, often risking their lives while doing so.
